A SLICE OF HISTORY

In 1993, Bob and Mary Keedy had a vision: offer the best, house-roasted coffee, housemade foodie creations, all in a comfortable and fun atmosphere. Roast & Toast was born. And now, 26 years later with Ben Walker as partner, Roast & Toast has become a local's favorite and visitor's destination spot.

OUR COFFEE:

Beans are carefully selected from sustainable, environmentally conscious growers, and then roasted on site by Hillary Davis and Mariah Becker. Featuring coffee from over 15 countries, a wide range of flavor notes, bodies and roast levels are available by the pound for pick-up and mail order.

OUR KITCHEN:

From baked goods to salad dressings, from hand-cut sandwich meats to breads — everything is made in-house using local growers whenever available and in season. Dine in, take out, or have an event catered.

Roasting, brewing, cooking, serving...since 1993.
